For individuals enrolled in medical coverage, the \$50 monthly credit is now reflected in the employer contribution portion of the medical premium. You will also notice that the employee contribution amount has been decreased by \$50 because the credit amount incorporated to the employer contribution amount.

The Benefit Credit line will appear under earnings until January 2018 because there is a year to date total for 2017. Beginning in January 2018, there will be no Ben Credit line for individuals enrolled in coverage.
