Getting to Campus

Over 60% of people arrive to campus without driving a personal vehicle.

What Your Fellow PITT Staff Members are Saying

“I like my vanpool because I’ve made new friends and I don’t have to worry about wear on my car.”

– Kim, Pitt Staff

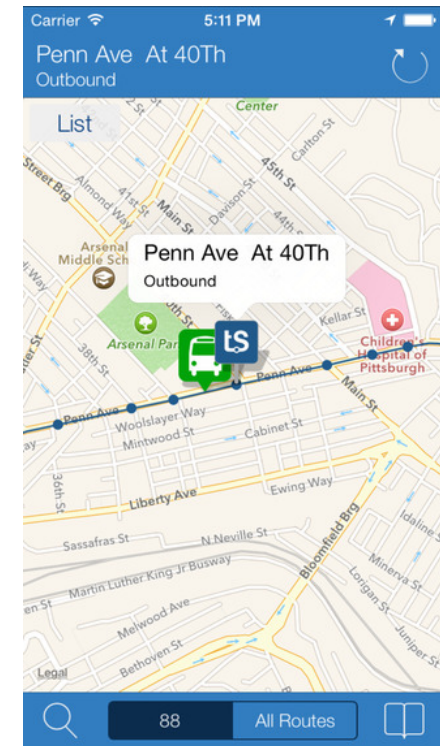

“I like to walk to work because it gets me exercise after sitting all day.”

– Andrew, Pitt Staff & Alum

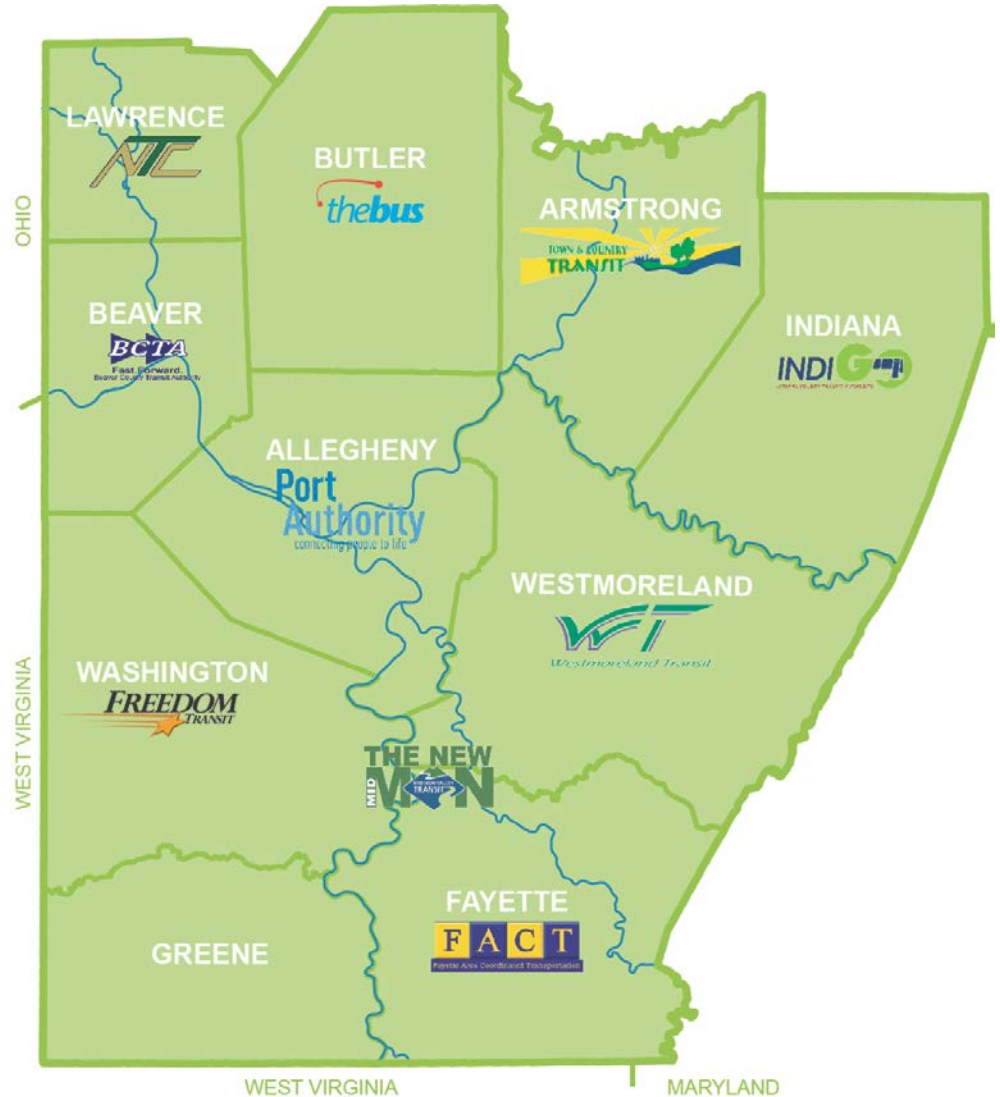

Port Authority: By Bus, “T” and Incline

- **Use your valid Pitt ID to pay for your ride.**
- There are many apps you can use to help you get around, including Google Maps. **Transit App** and **Transit Stop** have real time GPS information.
- Visit www.PortAuthority.org to learn more about available routes and services.

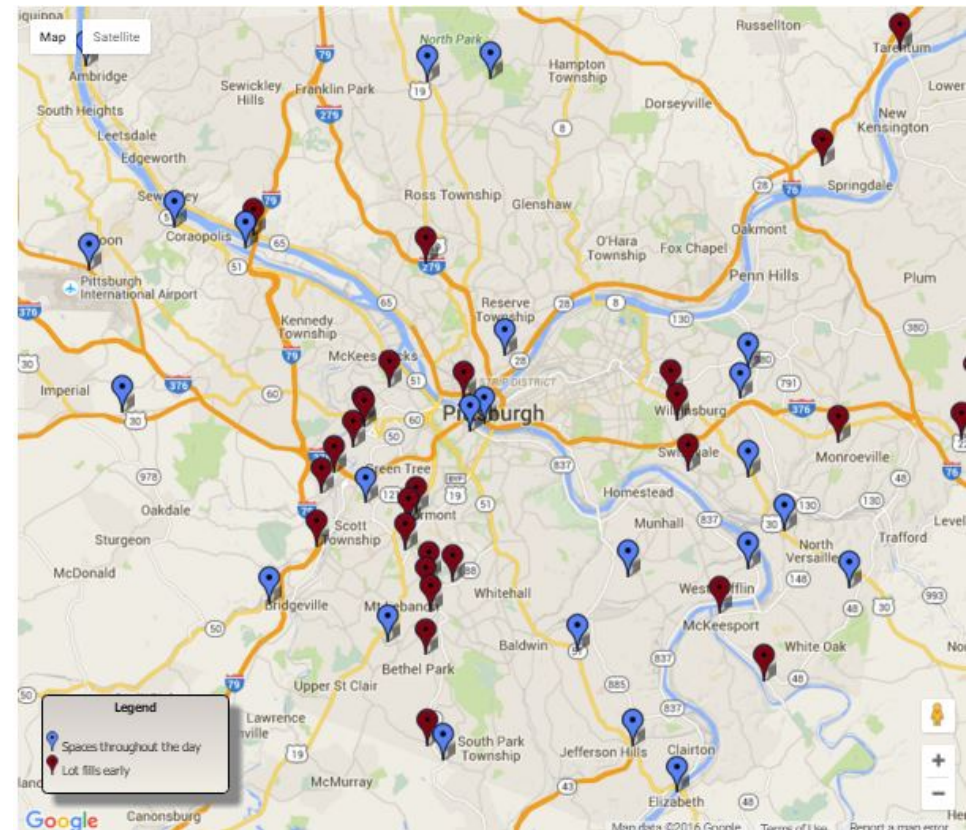

Regional Transit Operators

Park-n-Ride Facilities

- Park-n-Ride facilities are located throughout the region. They are places you can meet your bus, your carpool or vanpool buddies (check in advance for bus arrival times or any parking restrictions).
- Regional listing available: www.spcregion.org/pnr/

CommuteInfo

The University of Pittsburgh's Regional Ridesharing Partner

www.commuteinfo.org

1-888-819-6110

The CommuteInfo Program helps people find their best way to work or school! We work directly with individuals to assess their commuting needs and identify a range of options to fit their schedules (taking transit, joining a vanpool or carpool, walking or biking).

Carpooling

Carpooling is two or more people sharing their ride to campus in one of their personal vehicles. Registered carpoolers receive the following benefits:

- **Permit Discounts**
- **Free ride matching services**
- **Pre-Tax Payroll Deduction**
- **Temporary permits for when you need to drive separately**
- **A complimentary roadside safety kit.**
- **Emergency Ride Home Reimbursement Program**

To learn more about carpooling, email commuting@bc.pitt.edu or call the Parking Services Office at **412-624-4034**.

Vanpooling

CommuteInfo vanpool groups traveling to Oakland, start their commutes from many different geographic locations.

Registered vanpoolers receive the following benefits:

- **Free van parking for registered vanpools**
- **Free ride matching services**
- **Pre-Tax Payroll Deduction**
- **Temporary permits for when you need to drive separately**
- **Emergency Ride Home Reimbursement Program**

To join a vanpool or take a free trial ride, visit

www.commuteinfo.org or call **1-888-819-6110**

Bicycling

For efficient transportation on campus, it's hard to beat the bike for convenience, economy, and health benefits.

- **Public Bike Parking**
- **Bike Locker Rentals are available:**
\$40/semester + a \$10 one time refundable key deposit
- **Free Bicycle Registration**

Learn more about bicycling on campus and view maps of bicycling amenities here: www.pts.pitt.edu/Commuting/bicycling/

Bicycle Registration

Want to support bicycle amenities on campus and stay updated about bike news and events? **Register your bike for free.**

Registered bicyclists receive the following benefits:

- **Updates on events and programming around campus**
- **Access to bike safety classes and workshops**
- **Eligibility to rent a bike locker**

Register your bike by visiting the Parking Services Office in 204 Brackenridge Hall.

You can also register your bike online:

<http://www.pts.pitt.edu/Commuting/bicycling/bike-registration.php>

Benefits of Sharing the Ride, Biking and Walking

- Be Less Stressed
- Improve Your Health
- Save Money
- Reduce Traffic Congestion
- Improve Air Quality by reducing CO2 Emissions

PITTSBURGH
2030
DISTRICTS®
DOWNTOWN - OAKLAND

**Goal of 50%
reduction of
transportation
CO2 emissions
by 2030.**

Financial benefits - find out how much you can save!

STREET SMARTS

R.E.S.P.E.C.T.

Whether you're driving, cycling or walking, always remember to respect the motorists, cyclists and pedestrians who are sharing the roadways and sidewalks with you. Doing so keeps everyone safe and brings you respect in return.

Here are a few smart tips to keep in mind the next time you hit the streets.

DRIVERS

- ▶ Don't block a bike lane. Cyclists will have to swerve into traffic to avoid you, and you'll be breaking the law.
- ▶ Always look around and **put on your signal** before making a turn. A cyclist may be beside you, or a pedestrian could be crossing the intersection.
- ▶ **Obey the speed limit.** Driving too fast endangers everyone.
- ▶ Don't become distracted with activities like eating, drinking, emailing, texting or talking on the phone. **Stay focused on the road.**
- ▶ Make sure no one is walking or riding by you before you open your car door.
- ▶ **Don't double park.** You will block other motorists and cyclists will have to move farther into the roadway to pass you.

CYCLISTS

- ▶ When riding on the street, **obey all traffic rules** just like you would if you were driving a car.
- ▶ **Share the lane** with motorists when you're moving slower than traffic and can safely bicycle to the right.
- ▶ Yield the right-of-way to pedestrians. Get off and push your bike if the area is crowded with pedestrians.
- ▶ Slow down when approaching an intersection.
- ▶ Give pedestrians an **audible signal** before overtaking and passing them.

PEDESTRIANS

- ▶ Always **be aware** of your surroundings. Check behind you before cutting across the sidewalk
- ▶ On sidewalks, walk on the right, pass on the left and make room for oncoming pedestrians.
- ▶ Where there are no sidewalks, walk on the left side of the road **facing traffic.**
- ▶ If a cyclist is approaching, let him or her change direction so you don't collide.
- ▶ When exiting a bus, do not cross the street in front of the bus; oncoming motorists can't see you.
- ▶ Look both ways before crossing a street. **Make eye contact** with motorists and cyclists before crossing.
